Photographic and video image use of Children/Young people under the age of 18 Policy Statement (Reviewed 18/6/22)

Chantry S&RC is committed to providing a safe environment for children/young people under the age of 18 to participate in squash. Essential to this commitment, is to ensure that all necessary steps are taken to protect children/young people from the inappropriate use of photographic images.

Chantry S&RC have adopted the following good practice guidelines issued by England Squash:

Taking photographs and videos on Club premises

No photographs or videos of children or young persons are allowed to be taken on Club premises without the written consent of their parent or guardian.

Except a parent or guardian may take photographs or videos of their own children but must ensure no other children or young person appears in the picture without the appropriate consents being obtained.

Publishing Images

Through the use of a Consent Form, we will ask for the permission of young players and their carers to take and use their image. If a player is named, we will avoid using their photograph

If a photograph is used, we will avoid naming the player, we will **NEVER** publish personal details (email addresses, telephone numbers, addresses etc) of a child/young person

We will only authorise the use of images of players in suitable dress (Tracksuit, on court clothing i.e. T-shirt/shorts/skirt, off court clothing)

Use of Photographic Filming Equipment at Squash & Racketball Events

Chantry S&RC will:

Inform players and parents that a photographer will be in attendance at an event and ensure they consent to both the taking and publication of films or photographs

Require parents, spectators and authorised photographers (e.g. press) to register at an event if they wish to use any photographic equipment including mobile phones with photographic technology.

Issue an identification pass which must be worn and clearly visible at all times during the event

Not allow unsupervised access to players or one to one photo sessions at events

Not approve/allow photo sessions outside the events or at a players home

Act on the concerns of any players and parents regarding the inappropriate use of photographic equipment

Obtain the consent of children/young people and their parents/carers if video equipment is to be used as a coaching aid.

Ensure that any photographic images taken and used will be stored safely and / or given to the parents or child for their sole possession.
